

NOTICE OF PUBLIC HEARING

Texas Water Development Board Project Application For Proposed Design of WWTP Rehab and Capacity Upgrades

A public meeting will be held on March 24, 2025 at 5:30 pm at the Donna Rec Center located at 307 Miller Ave., Donna, TX 78537 to discuss the City of Donna's engineering design of the proposed WWTP rehab and capacity upgrades needed to bring the plant into TCEQ compliance. The City is proposing to rehab their existing 1.8 MGD WWTP and construct an additional 2.2 MGD WWTP leading the plant to carry a total of 4.0 MGD capacity which falls under mandatory compliance as per TCEQ regulations. The total estimated construction cost for the project is \$42,677,032. The project's anticipated funding is through the Texas Water Development Board Clean Water State Revolving Fund.

One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it. A draft Environmental Information Document has been prepared and is available for review online at www.cityofdonna.org or can be reviewed in person at Donna City Hall at 307 S.12th St. Donna, TX 78537 between the hours of 8 a.m. – 5 p.m. for 30 days following the date of this notice.

Written comments on the proposed project may be sent via email to dalinda@siglerwinstongreenwood.com or by mail at Sigler, Winston, Greenwood ATTN: Dalinda Ramos 611 International Bld. Weslaco, TX 78596.
