

American Legion Border Post 107

and the

City of Donna

The American Legion Border Post 107, is the Nations longest standing Legion. In an effort to continue supporting local scholars for Boys State and Girls State Leadership Conferences, we are seeking out our Veteran friends and Family in assisting in one of the largest fundraisers we have ever done. The flags shown below will fly for the month of October and November and again during Memorial day every year beginning in 2021. The Veterans are excited for this opportunity to provide more scholarships than ever before and honor our brave men and women. The Veteran whose name and photo flies on the flag DOES NOT have to be deceased. It is for ALL Veterans who have served bravely and honorably. Should you have any questions, please contact L. Saucedo at 956.464.3314
