

U.S. Customs and
Border Protection

Donna International Bridge Commercial Vehicle Project August 04, 2021

Dear U.S./Mexico Border Trade Stakeholders and Decision Makers:

The City of Donna and U.S. Customs and Border Protection invite you, and company support staff to attend a **stakeholder outreach event** at the Donna International Bridge. This event will include discussions of U.S./Mexico border trade activities related to the Donna International Bridge Commercial Vehicle Project, which aims to improve border waiting times and incorporate new technologies at Ports of Entry to facilitate international trade.

To accommodate your busy schedules, we are offering two sessions of this event on **Wednesday, August 04, 2021**. The morning session will run from 10:00 AM to 11:00 AM and the afternoon session will run from 2:00 PM to 3:00 PM. Each session will be followed by refreshments and networking with your peers and the leadership of the Donna International Bridge.

The City of Donna is seeking your input to improve U.S./Mexico trade and improve the Hidalgo County International Bridge System's standing in the global market. Therefore, the City of Donna kindly requests that you participate in a 10-minute survey at the end of your session.

To register yourself and any staff members and/or associates, please send an e-mail stating your name, position, company, and the session you plan to attend to Assistant Operations Manager, Orlando Rivera at the City of Donna at orivera00836@gmail.com, or call 956-461-4878.

Thank you for your attention – we look forward to welcoming you to one of these U.S./Mexico Border Trade sessions.
